

The Little Big Recycling™ Value Bundle

“Every LITTLE thing makes a BIG difference

BIG or LITTLE, we do it all!

Feature	Advantage	Benefit
Flexible 3-year contract and a FLEX-PLAN for growth!	You have options, flexibility, and can customize your services!	Condo Council peace-of-mind!
FREE site assessments to optimize totes/bin quantities, placement, and frequency of pickups!	Services are tailored to your specific needs and services can be adjusted as your needs change!	Services can be personalized based on your property’s unique needs and challenges!
WASTE AUDITS: a detailed review of your services vs your current needs. We will do a split-fee for this purpose to improve your Recycling performance!	We are not a mindless uncaring service provider only interested in fees; we want you to help you maximize what your organization can do for the environment!	You are not alone in meeting or exceeding municipal regulations and requirements. We have your back, and we can even help you set even higher goals going forward.
Continuous Education to Property Managers (PM)!	Knowledge of upcoming and current city by-laws and ongoing changes!	We dig through the nitty-gritty details, so you don’t have to!
Continuous Education to Condo Councils!	Speak with a professional who can answer the more in-depth and complicated questions!	Condo Councils are fully informed when making decisions!
Continuous Education to the Condo owners via periodic presentations at annual meetings!	Condo Councils and PMs do not have to delve into the details, we have you covered!	Cleaner waste streams and residents feel empowered!
All 4 Streams under one Contract! (Organic, Mixed Recycling, Garbage, and Refundables)	Fewer contracts & contacts; LBR staff monitor all streams for issues when picking up anyone!	Simplifies waste management to save time!
Main line with direct connection to Operations Manager for Property Managers or Condo Council	Extra pick-ups, issues, or needs are addressed and handled immediately!	Easy communication and fast problem solving!
Message line for Condo Owners with issues or complaints!	Reduced complaints to PM and Condo Councils; problems handled by LBR directly!	Time saver and fewer hassles for administrators/Condo Council /PM!
No additional fees such as “gas fuel surcharge” & “environmental fee!	No surprises for PM or Condo Council!	Just one all-inclusive price!
No overage fees as long as the tops can close within reason!	The nickel and diming of other recycling companies is gone!	Easier to budget!
FREE: One pick up of one (not each) stream at no charge per annum*	No nickel and dime for the extra wraps after Christmas in the mixed recycling	LBR realizes things happen and builds it into your program!
INCLUDED: Organics bins are plastic bag lined and replaced with clean totes as needed!	Odors and issues with organic waste are few and far between and cleaning is included in the price!	Fewer complaints from residents!

* Not currently included in contracts
